

Art week SUMMER 2 WEEK 6;

This week, it is more space art.

Task; to recreate the scene of Neil A and Buzz A landing on the moon.

Reread the text extracts from *One Giant Leap*; there is lots of description to help you with your drawing.

Use a variety of materials/crayons/felts/mosaics etc.

A few tips; think about the surface, the background, the astronauts, the landing module and the flag placed into the ground.

I have included a couple of visuals to get you thinking/started.....but, as usual, we would prefer for you to design/draw your own.

Happy moon landings.....
