Foundation Stage Weekly Newsletter

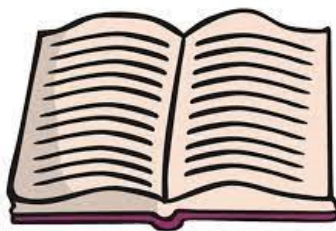

Dear Parents and Carers,

Here are a few reminders....

Reading

In school we are having a 'big push' on reading. Please make sure that you support us with this by listening to your child read on a daily basis. It is important that you write in the yellow reading record each time so that we know when to change the book.

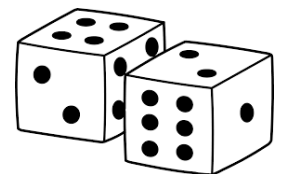

Maths Challenge

Please remember to complete the Maths Challenges over the weekend and return the books on Mondays.

One of the games we have been playing this week is on the back of this newsletter. Please ask your child to explain how to play it.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

The Foundation Stage Team
