# Foundation Stage Weekly Newsletter

Dear Parents and Carers,

Please read the important information below...

## Attendance

Last week 44 children out of 55 received Dojo points for being in school all week. Unfortunately this is less than last week.

## Phonics Workshop

Please join us on Tuesday 31st January at 2:30pm at school for our Phonics Workshop. We will be discussing how we teach Phonics in school and ways you can support your child at home. By the end of Reception the children are expected to:

- Read aloud simple sentences and books that are consistent with their phonic knowledge, including some common exception words and...
- Write simple phrases and sentences that can be read by others

Support from home is vital for your children to achieve these goals.

We will also be answering your questions about Phonics, so please send your questions to your class teacher via Class Dojo.

Please make sure that your child reads at home every day. We are having competitions in the classrooms between the keyworker groups. If a whole key worker group has read at home the children have a biscuit! Your child will miss out if they have not read at home!

## Forest School

Exciting news– both Forest School groups will be climbing a tree using a climbing harness next week! Both groups will go to The Patch on Monday 23rd January.
