February 2020

Parent Consultation for the following school Policies:

- Admissions Policy 2022/2023
- Relationships and Health Education Policy 2021

Admissions Policy 2022/2023

Guidance from the DfE require schools who are their own Admissions authority to consult with parents on the content of their school Admissions Policy. Whilst Queensgate is its own Admissions authority, we have always chosen to follow the Local Authority Admissions Policy and this is our plan for the policy which will cover admissions for the academic year of 2022 – 2023

Relationships and Health Education Policy 2021

The DfE guidance for Relationships and Health Education in schools has recently been updated and all schools must follow the new guidance this year. Therefore, a new Relationships and Health Education Policy 2021 has been written and must also be consulted on with parents.

What to do next

Please take the time to read both policies which are listed under our Policy section.

If you have any comments you would like to make please send them to: admin@queensgateprimary.co.uk

Make sure you include which policy you are referring to.

The deadline for comments on either policy is: 3:00pm Friday 12th February 2021

In consulting with all our parents/carers we are seeking your views on the policies. This does not mean you have the power to either veto the content or policy
