Foundation Stage Weekly Newsletter

Dear Parents and Carers,

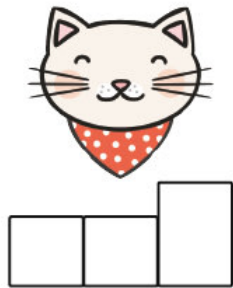

We hope you have a lovely half term break, please upload photos/videos of your adventures on Tapestry!

The Patch

Would you, or anyone you know like to volunteer to support our Patch sessions? Please let us know.

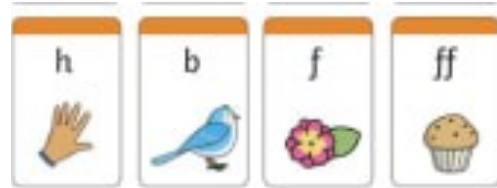

Half Term Challenge

Over the half term break please use the resources that were sent out with your child's report. Please use the maths matching game to support their understanding of numbers and help them to put the numbers in the correct order. The letter flashcards could be used to help your child recognise the letters or put them together to create words. The phoneme frames are a great way to help with early writing, you could even make your own.

Letters and Sounds

Please talk to your child about the letter sounds we will be learning after half term. With your child please search at home for objects for the following sounds.

Monday -h

Tuesday -b

Wednesday -f

Thursday - ff

Please explain to your child that the ff sound is a digraph. A digraph has two letters and one sound. This digraph is always either in the middle or at the end of words, eg **muffin** or **fluff**.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

The Foundation Stage Team
