

## Come to School - We are screening the first England Match

Dear Parents and Carers,

### Attendance and Football

As you know we think attendance at school is very important! Our current attendance is below 95% which is below national average.

Next Monday we will be showing the England/Iran match in the afternoon to those children who want to see it. All other matches are out of school time.

### Year 4 Multiplication Check

Today we have sent some information about the multiplication check for Year 4 from the Standards and Testing Agency. There's a link to our Website [here](#).

It states that as parents there is nothing for you to do. We disagree with this. Here is a reminder of the times tables that children need to know in each year group:

Year 1 need to be able to count in multiples of twos, fives and tens

Year 2 need to be able to recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables

Year 3 need to be able to recall and use multiplication and division facts for the 2, 3, 4, 5, 8 and 10 multiplication tables

Year 4 need to be able to recall multiplication and division facts for multiplication tables up to 12 x 12.

The children need to learn, rehearse, recall and play games with their multiplication and division facts.

### Year 5 and 6 Maths workshops for Parents

Here is the sort of question our Year 6 children are facing in their maths SATs.

If you would like to be able to support your children by learning how to do the questions yourself please come a long to our maths workshop on Friday 25<sup>th</sup> November at 9:15 until 10:15.

These sessions will run for six weeks.

See the advert on page nine for further details.

This table shows how many people finished the New York Marathon in each of the first four decades it was held.

New York Marathon	
Decade	Total number of people who finished
1st decade	24,863
2nd decade	170,932
3rd decade	282,420
4th decade	350,824

What is the mean number of people who finished the marathon per decade? Round your answer to the **nearest hundred**.

## Out & About

The children in Year 2 are learning about the history of flight. On Tuesday morning the **2EC** Out and About team visited Bembridge Airport and the air traffic control offices. The children learnt about how the airport is run and how the air traffic controllers communicate with aircraft in the air, in order for them to make a safe landing. They all enjoyed visiting the hangar to see the planes and even had the opportunity to sit in one to explore the controls, moving the ailerons which would steer the plane. The children found out about the different parts of the plane and what each were made of.

On Tuesday afternoon the **3PT** Out and About children walked from Culver Down to Whitecliff Bay as part of their Geography work on rocks and soils. We talked about how the Island is made up of sedimentary rocks and they identified different rocks on the beach. The children looked at the unusual vertical stratas in the cliff and then discussed how fossils are made. We spoke about the landslips and erosion we could see and how sedimentary rocks are permeable. The children were all brilliant walkers and demonstrated great enthusiasm. Well done 3PT!

Year 4 have begun their topic on Ancient Egypt and the Egyptians. During Out and About the **4BM** group went to Yaverland beach. We talked about the mummification process and how the wealthy were buried in a sarcophagus. The children made their own mini cardboard sarcophagus (sheltering from the rain in the minibus), ensuring they decorated them with an eye of Horus, a scarab beetle, a god and goddess and a door for the spirits to leave. Using sticks, they made mini people and mummified them using wool. On the beach they each made their own pyramid in the sand to bury their sarcophagus in. The children all showed amazing resilience and were in good spirits, despite the very wet weather.

Working together for a successful future

On Wednesday afternoon the **1CE** Out and About group visited Puckpool Park. The children took on the challenge to try and find a lost toy. They took it in turns to read clues as they followed a trail around the old barracks and park. The children were all very excited to find the lost pirate. They seemed unfazed by the heavy downpours and enjoyed exploring the play equipment together.

After school on Wednesday, the **Out and About Club** went to Briddlesford Farm. The group met the calves, saw the milking process in action, learnt about the Griffin family history and then warmed up in the cafe with a hot chocolate.

## Attendance

It is hugely important that the children come to school everyday as the lessons build on from each other. If your child is not well, please remember to call the school when your child is absent (if we haven't heard from you by 9.15am we will contact you). It is important that you follow up this phone call with a written reason for the absence when your child returns to school to [office@queensgateprimary.co.uk](mailto:office@queensgateprimary.co.uk)

If you would like leave of absence for an alternative reason to illness you must complete a leave of absence form (at least 14 days in advance of absence), these can be found in the school foyer.

Remember that good attendance will help your child to succeed at school.

**Whole School Attendance this week is 94.83%**

**KS1 Class with best attendance this week is 1CE with 94%**

**KS2 Class with best attendance this week is 5RA & 5TS with 95%**

Dear parent/guardian

I am writing to you about the importance of staying well this winter for children and young people. While children and young people have been able to go to school during most of the pandemic, this is the first winter in two years with no restrictions. No restrictions means bigger events and time together this winter, especially at Christmas. A lot of mixing will be inside, which increases the chance of infection spreading.

Winter illnesses such as flu and respiratory viruses in children and adults are increasing. They are returning to pre-pandemic levels. Younger children, especially those starting school for the first time, have not been exposed to many infections. They will have less natural immunity.

### **Vaccinations**

Vaccinations are our best defence against severe illness and infections. A full list of the vaccines on offer is on [this NHS website](#). You can check if your child is up to date by contacting your GP or checking their red book.

Routine childhood vaccination uptake has been negatively changed by the pandemic. We need it to go up to provide the community with strong enough protection to prevent infectious disease incidents and outbreaks.

Incidents and outbreaks can impact school attendance and learning. Stopping further disruption to children's lives, who have already missed time at school due to the pandemic, is vital.

### **The flu vaccine**

The seasonal flu vaccination is currently offered to all children aged 2 to 11 years and some secondary school children. There are also many adults eligible for a free flu vaccination.

You can get information about the flu vaccination for children on [this NHS website](#).

### **The COVID-19 vaccination**

The COVID-19 vaccination allowed the safe removal of pandemic restrictions. It remains key to living with the virus in the future. The COVID-19 vaccine for children is still available (many adults are eligible for the Autumn booster).

You can get information about the COVID-19 vaccination for children on [this NHS website](#).

You can also call and talk to someone about the vaccination. The Hampshire and Isle of Wight COVID-19 helpline 0300 561 0018 is open between 9am to 5pm Monday to Friday and 9am to 1pm at weekends. Please find below links to some other useful information:

### **Childhood Illnesses**

The [Healthier Together](#) website is a good place for advice about lots of children's health and well-being concerns. Advice about specific infections and school attendance is on this website: [Is-my-child-too-ill-for-school?](#) This [blog](#) is for the health of children under 5 years old but includes useful information for all children.

### **Stay up to date**

The [Isle of Wight Council Facebook page](#) posts regular information about vaccinations. It also shares general information and support for Islanders.

## Sports Reports

### Girls Tag Rugby

Last week, the Year 6 girls tag rugby team and Miss Young travelled to Gurnard Primary school, to take part in a tournament. We were all really scared on the way there because there were so many teams playing. When we got there, we had some time to warm up, then we sat with all the teams and went through the rules.

Once the tournament started, we had three games to play in our group, we won two games (5-3 and 3-1) and tied one (2-2), this meant we were the winners of our group stage and went on to compete again. Although we played our absolute best, we just missed out on a win, with the score at the end being 2-3. However, we were still in with a chance to compete for 3<sup>rd</sup> or 4<sup>th</sup> place. Our last match was the most exciting game we played, the score was tied 2-2 until the last second, when Chloe caught the ball and made an amazing run down the pitch to score our winning point!

After all our hard work and effort, we came 3<sup>rd</sup> out of 14 schools, the whole team were incredibly proud, as was Miss Young.

Chloe, "Scoring our winning point was amazing, I felt really proud of myself. Especially as it was my first tournament."

### The Isle of Wight Toy Appeal:

The Isle of Wight Toy Appeal is back!

If you would like your child to receive a toy from the toy appeal please contact the school office or Mrs Jeffers.

Alternatively, if you would like to donate to the toy appeal, local drop off point can be found at the Red Funnel terminal.

## Sports crew half term challenge

It is really important for everyone, children and adults, to be active. This half term, the Sports Crew challenge you and your family to see how many star jumps you can complete in one minute. We would love you to let us know how many you completed and send us a picture of you and your family doing the challenge so we can display them in the hall. A certificate will also be presented to the child who is showing the most enthusiasm completing the challenge (ideally with members of their family). Who is the star jump champion in your household?

Pictures can be sent to

[sportscrew@queensgateprimary.co.uk](mailto:sportscrew@queensgateprimary.co.uk).

## Clear Glass Wine Bottles Needed

Year 2 are collecting clear glass wine bottles to turn into beautiful Christmas table decorations to sell at the Christmas Fair. Please could you bring any bottles you have (washed and with labels removed) into school by Wednesday 23<sup>rd</sup> November. They can be dropped off in either of the Year 2 classrooms. We need about 60 bottles so please help us if you can. Thank you.

## Keyboards for Sale

If your child has just started piano/keyboard lessons with Totally Rad Music, have a look on Wightbay. There are several keyboards for sale at present that normally retail for over £100 for around £30 - £50. If your child has a keyboard of their own at home, they can practice regularly and make great progress. They can also plug headphones into a keyboard so they can practice without disturbing others. It's also worth keeping an eye out for keyboards on sale in supermarkets; they often stock Yamaha keyboards around Christmas and they are a good reliable make.

## Totally Rad Music Piano Lessons

Our new piano teacher started lessons last week. It is not too late to sign your child up for lessons. Small group tuition is only £5 (+vat) for 20 mins.

If you would like your child to learn, use the following link to sign up directly with Totally Rad:

# Calling all parents, grandparents and carers of Year 5 & Year 6 children!

Do you want to support your children with their SATs but are unsure of where to start?

**Multiply**

Are you Mystified by Multiplication? Baffled by Bar Graphs? Frightened of Fractions?

If the answer to any of these questions is 'yes', then help is at hand, with the **Multiply** programme, a new initiative aimed at improving the numeracy skills of adults.

The team at Adult Community Learning is pleased to be working alongside your child's primary school, to offer an exciting way to help you support your children with their SATs, while at the same time developing your own skills in mathematics.

Details of this **FREE** opportunity can be found below:

## SATs Support Workshops

Fridays 9:15-10:15am  
at Queensgate Foundation Primary School

A six-week course, designed to help you improve your own maths skills and in turn support your children with the maths they're learning in school. Sessions will be for one hour a week, during school time and will include areas such as:

- ◆ Understanding the Year 5 and 6 maths curriculum
- ◆ Looking at examples of questions from SATs papers and learning how to solve them
- ◆ Learning about how Maths is taught in school, to help you support with homework
- ◆ Investigating Number and calculations (addition, subtraction, multiplication & division)

All the sessions will be run in a relaxed and informal way, by Dee Swallow an experienced tutor from Community Learning tutors in the familiar surroundings of your child's school in the training room.

For further details, speak to the school admin team on **(01983) 292872** or email

## **PTFA Christmas Events**

### **Neon Discos**

On Wednesday 7<sup>th</sup> December the PTFA will be holding a Neon Disco. The cost is £2 for Reception children and £2.50 for Years 1 – 6. The timings of the discos are as follows:

Reception – 3:00pm to 3:45pm

Years 1, 2 and 3 – 4.00pm to 5:15pm

Years 4, 5 and 6 – 5:30pm to 6:45pm.

A huge thank you to the PTFA and Queensgate staff that have offered to help at this event.

### **Christmas Fair**

Our Christmas Fair is on Friday 9<sup>th</sup> December between 2:30pm and 4:30pm. Santa will be in the music room; there will be stalls in the hall, a café in the dining room, face painting and glitter tattoos.

Nearer the time we will be asking for chocolate tombola and general tombola items to be donated.

Please see the poster on Page 11.

### **World Pay Ending**

Scopay are changing their online payments provider. We will not be able to take any payments between **28<sup>th</sup> November and 1<sup>st</sup> December**. Although World Pay will be no longer used, we have not been informed which company is being used instead. We will give you further details once we have received them.

### **Visits to East Cowes Library**

As you know we encourage you to read with your child every day. Our reception children are visiting East Cowes Library next week. Mrs Barnett's class will be going on Monday 21st November and Mrs Dye's class will be going on Monday 28th November.

### **Next Week Road Safety**

Next week our assembly theme is Road Safety and the Junior Travel Ambassadors will be teaching all the children the Green Cross Code.

### **And finally...**

Please check carefully your child's access to social media, games and other online materials. We have had reports that some children have been chatting to unknown people around inappropriate content. It is vital that you talk to your children around online safety and the best site for assistance in this can be found at:

<https://saferinternet.org.uk/guide-and-resource/parents-and-carers> and

<https://swgfl.org.uk/audience/parents/>

Have a great weekend!

## Hello, is it you we're looking for?

Becoming a new parent can be a challenge and at Home-Start we know the value of supporting parents as early as possible. We are looking for, Bumps & Babies home visiting volunteers in your area?

**How much time do I need to give?** Most home visitors give a couple of hours each week.

**Where would it be?** At the family home

**What does it involve?** The role is varied as every family is different. A Home-Start volunteer is a helping hand and a listening ear. Your time with the family could include:

- Talking and listening
- Helping parents feel more prepared for parenthood
- Practical help & emotional support before baby comes along
- Supporting parents to feel more confident
- Practical help & emotional support after baby is born
- Supporting parents to get out and about
- Cuddling a baby!

**Do I need any special skills or experience?** Non-judgemental with an understanding of the challenges of family life, kind and compassionate, great organisational skills, practical, enthusiastic. Most volunteers have parenting or caring experience, for everything else, full training is provided. Training is a combination of online and face to face sessions. All volunteers receive regular support from a named co-ordinator.

All home visiting volunteers are subject to an enhanced DBS check and references are required.

For more information or an application form please email [admin@homestartiof.org](mailto:admin@homestartiof.org) call 01983 533357, or visit our website [www.homestartisleofwight.org.uk](http://www.homestartisleofwight.org.uk)

## Hello, is it you we're looking for?

Family life can be a challenge. Home-Start runs Family Group sessions for parents and their young children. Could you volunteer in a group and help make their time together special?

**How much time do I need to give?** Group sessions are 2 hours each week during term time.

**Where would it be?** Groups take place in Newport, Ryde, East Cowes & Shanklin

**What does it involve?** A Home-Start Family Group volunteer is a helping hand and a listening ear. Working alongside the Family Group staff you will:

- Provide a warm welcome to parents & children
- Support children to enjoy the fun activities on offer
- Help with setting up and packing away
- Offer a listening ear to parents who need time to talk
- Give practical help to parents with more than one child to give them the opportunity to spend 1:1 time with each of their children

**Do I need any special skills or experience?** Non-judgemental with an understanding of the challenges of family life, kind and compassionate, practical, enthusiastic, creative, an understanding of child development would be an advantage and most importantly a willingness to join in with the singing! Most volunteers have parenting or caring experience, for everything else, full training is provided.
