

## Year 5 – Summer Term – 2<sup>nd</sup> Half

### Transport

#### ***Comment vas-tu à l'école? – How do you go to school?***

- Watch these two video clips on Espresso.

[https://central.espresso.co.uk/espresso/modules/t2\\_l\\_ecole/going\\_to\\_school/index.html](https://central.espresso.co.uk/espresso/modules/t2_l_ecole/going_to_school/index.html)

The first one introduces the French words for different means of transport.

In the second, you see and hear French children describing how they get to school. Pause it between children and look at the script to help you.

How many of the children walk to school? How many didn't, and how did they get there?

- Now there is a worksheet to do. There are two pages: one about travelling to school and one about travelling on holiday (I know - sigh...)

If you have a printer, you can print it onto two separate sheets and cut and stick the picture next to the right label.

Or, print it double-sided and draw lines to join the right label to the right picture.

If you don't have a printer (or any ink!), don't worry – just have a look through it or talk through it with someone at home.

Je vais à l'école...

en trottinette.

en voiture.

en vélo.

à pied.

Je vais en vacances...

par le train.
