

## Foundation Stage Weekly Newsletter

Dear Parents and Carers,  
Don't forget about our Christmas show on Wednesday! Have a lovely weekend.

### Christmas Jumpers

Your child's Christmas jumper should have been brought into school by today. If you have not done so yet, please do this by Monday. If you don't have a Christmas jumper then a t-shirt will be fine.

### Forest School

There will be no Forest School next week as we will be too busy in the classroom with Christmas activities.

### Outdoor Area

This week we have put barriers in our outdoor area, please do not let your child cross these barriers when they are up.

### Letters and Sounds

Please explain to your child that Tuesday's sound is a trigraph– this is a sound that has three letters that make one sound.  
Next week's sounds are...

Monday– oo (short sound eg book)

Tuesday– igh (eg night)

Wednesday– ar (eg car)

Thursday– or (eg fork)

### Christmas Party Day

Monday 20th December is the last day of term and it will be Christmas party day. Your child is welcome to wear mufti to school for the party.

### Shed

On Friday 17th our shed is being moved to its new location. We need to empty the shed before it is moved, please make sure that on Friday your child doesn't play with any resources in our outdoor area.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

The Foundation Stage Team
