

Friday 16th April 2021

## Foundation Stage Weekly Newsletter

Dear Parents and Carers,

This week we had a lovely visit from Benji in the classroom, please ask your child about this.

### Reading

We are continuing to have a 'big push' on Reading. Please support us with this by reading with your child on a daily basis. This does not have to be a whole reading book in one go, one or two pages at a time is fine. We are aiming for all children to be able to read and understand a sentences by the end of the Reception year. Bug Club is a fantastic resource to help you with this. Remember to write in the yellow reading record so that your child receives their sticker for their chart.

### World Book Day

Friday 23rd April is World Book Day, please think about books rather than films. There will be a prize for the best homemade costume.

### Please Please Please...

make sure that all uniform is named. Some children are losing uniform and it is very hard to return the correct item if it is not named!

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

The Foundation Stage Team
