2. The governing body will set charges for hirings guided by the following principles:
 - 2.1 Use by the PTFA of Queensgate will be free of charge.
 - 2.2 All groups will be charged as schedule 1 (see below) or such other sum as the governing body may determine from time to time.
 - 2.3 All bookings shall carry a £50.00 refundable deposit, which must be paid prior to a booking being confirmed and will be returned to the hirer no later than 14 days after the booked event has taken place subject to no damage having been caused to the school premises or sports field (including the furnishings equipment fixtures and fittings) during the period of the hiring and the premises having been left tidy and as found at the commencement of the hiring. All block bookings shall carry a £50.00 refundable deposit which shall be returned to the hirer no later than 14 days after the final booked event has taken place subject to no damage having been caused to the school premises or sports field (including the furnishings equipment fixtures and fittings) during the period of the hiring and the premises having been left tidy and as found at the commencement of the hiring.
 - 2.4 Where a key/security swipe card is required in order to access the hired area the hirer agrees to collect the key/security swipe card from the school administration office at a pre-agreed time. The hirer agrees to return the key/security swipe card after hire at a pre-agreed time as stipulated by the school.
 - 2.5 Where a key/security swipe card is lost by a hirer the replacement of the key/security swipe card will be charged to them at full cost.
 - 2.6. Every endeavour is made by the school to accommodate the reasonable requirements of the hirer but the primary function of the school is to provide education for its pupils which will take priority. Where the stage and/or lighting is required for school use it will not be removed for the hirer and it will remain in situ for the duration of the school event. The hirer shall not move any equipment lights or other items (whether on the stage or elsewhere) without the prior written approval of the school.
 - 2.7 Hire charges cover the normal use of lights, heating and toilets for internal hiring only. If hirers wish to use specific equipment separate arrangements and charges will need to be agreed. Additional use of electricity etc. must be previously arranged and agreed in writing. Hirers must not use lights inappropriately (and without prejudice to the generality of the foregoing especially those in the hall during the summer period).
 - 2.8 The full charge for any hiring including the deposit referred to in clause 2(c) shall be paid before a booking is confirmed. In the event of a hirer wishing to cancel a booking more than 14 days before the event is due to take place the hiring charge and deposit will be refunded less a £20 administration fee. In the event of a cancellation less than 14 days before the event the deposit will be refunded less a £20 administration fee but not the hiring charge.
- 3 The building is fully alarmed and protected by security. If the building or sports field is left unsecured by the hirer the school will charge the hirer all the costs incurred, including the cost of staff time, subject to a minimum fee of £100.00, to re-secure the building/sports field following the hire.
- 4 In the event of any damage the Hirer must notify the School at the earliest opportunity. The School shall be indemnified in full by the hirer for any damage occurring during the period of the hiring even if not caused directly by the hirer.
- 5 All Hirers and those permitted to use the school premises/sports field in consequence of the hiring must fully comply with all relevant Health and Safety legislation and regulations, and the school's health and safety policies. Hirers shall not permit smoking, the use of drugs or the consumption of alcohol anywhere on the school premises or sports field (save that alcohol

- 7 Hirers must ensure they have an appropriately trained and qualified First Aider and Fire Marshal on site throughout the hire period (see Appendix 2)
- 8 Hirers may not sub contract the right to use the school premises/sports field to another individual, club or organisation.
- 9 The school premises or sports field will not be hired to individuals or organisations if there is reason to believe that the name of the school may thereby be brought into disrepute. The decision of the head teacher or governing body in this regard shall be final and neither she nor they shall be obliged to give a reason for the decision.
- 10 The school premises/sports field may be hired for functions where a Public Entertainment Licence or Licensed Premises Licence is required provided this is agreed in advance by the head teacher and the hirer obtains the necessary licence. The hirer must fully comply with the terms and conditions of any such licence and the legislation affecting it.
- 11 In the event of an emergency, fire, the hirer will have an appropriate evacuation procedure in place with a dedicated assembly point and that such procedures are known to all persons assisting in running the event for which the school premises/sports field have been hired. Should such a circumstance arise the Hirer will first contact 999 Emergency Services followed by the Site Manager (see Appendix 1).
- 12 The Governing body authorises the Headteacher to permit hirings but if she believes a hiring should not be permitted she will report the reasons to the Governing Body.
- 13 Income derived from hirings will be retained by the school and costs to the school of hirings will be met from this income.
- 14 All hirers shall be licensees and not entitled to exclusive possession of any part of the school premises/sports field. No relationship of landlord and tenant shall be created between the school and any hirer.
- 15 All hirers must satisfy the school that they have public liability insurance with a sum insured of at least £2 million which will cover claims arising out of the hiring.
