- Boys cross country relay – third out of 24
- Girls cross country relay – 13<sup>th</sup> out of 21

### 3.Planned expenditure for academic year 2018 – 2019

Amount for academic year 2018 – 2019      £19,417

How Queensgate expects to increase the amount of physical activity pupils are engaged with and increase the number of pupils reaching ARE at the end of the year through using the Sports Premium money. What the intended impact should be.

A] To improve engagement of pupils in regular physical activity (60 minutes per day of which 30 minutes should be in school).

Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
Promote physical activity within break and lunchtimes.	To encourage all children to take part in some exercise during breaks.	To increase the participation in the national 30;30 objective for exercise.	The numbers of children each day participating is pleasing.	HV	3000 (whole year)	Lots of children as well as games makers involved in safe/secure games.
Promote greater physical activity during the day.	To encourage more classes and children to take part in the RAM at some stage during the school day. To encourage all classes to set a half termly physical challenge.	To increase the learning in lessons through exercise.	The number of classes performing the RAM has increased; children ask to do the run.  Number of children dong half termly challenge/displays showing half termly challenge in classrooms	Whole school	None	That children are getting morning exercise to aid their thinking in lessons.
Total anticipated cost					£3,000	

B] That PE and sport is an integral part to whole-school improvement.						
Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
Promote greater physical activity during the day.	To look for ideas and stimuli to grab the children to inspire to and participate in.	Physically active lessons which promote academic engagement, mental health and well-being	Use of super movers times tables challenges.	PG	Undefined	End of year
Gifted and Talented children identified and offered extra coaching with talented children in the area.	To send some children from Year 3-6 to partake in the G/T activities at Gurnard	For children to develop their talents and abilities with like- minded children from other school	The children chosen have been identified through regular PE assessments by class teachers or by PE leaders doing clubs.	PG and IOW SGO	Approx £300 for both Yr 5/6 event and Yr3/4 event.	
That Queensgate Fun Run is promoted in the community and safely enjoyed.	For Queensgate to extend into the wider community by organising a fun run for both children and adults.	For people to share in a local event promoting exercise.	Leaflets and posters promoting the run both Island wide and beyond.	PTFA	£300	Over 100 people took part
That Queensgate take part in the annual Sandown/Shanklin Lions Swimathon.	To invite children and adults of the Queensgate community to take part.	That money for good causes can be raised through exercise.	Sponsor forms and information are advertised through the school newsletter.	PG (and Sandown/Shanklin lions).	None	
Total anticipated cost					£ 600	

C] Increased confidence, knowledge and skills of all staff teaching PE and Sport.						
Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
Upskill teaching of subjects.	For adults in school to attend relevant PE Courses	To ensure there is a good breadth of updating	Staff to report back their courses to PE leaders and to staff	PG	Will depend on courses that are relevant and/or	

		knowledge and safety procedures.	via emails or photocopied materials.		available – budget for	
Total anticipated cost					£700	

D] Broader experience of a range of sports and activities offered to pupils.

Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
High quality equipment to allow Queensgate children maximum participation in lessons and to participate competitively.	To maintain and purchase quality PE equipment for all lessons.	To broaden the base of both traditional and non-traditional sports.	To ask both children and adults about the equipment.	PG/LR	£2,000	All purchased equipment has been well received.
Offer a range of different and alternative sports clubs as extra-curricular activities.	To offer new clubs, where possible like Commando Crav Maga	For children to access a wider variety of sports / excercises,	Feedback from children, staff and coaches; check lists of those attending.	PG	£300	New clubs have gone well
To look for ways of improving the quality of teaching of PE.	Use of outside specialists, when/where appropriate.	To identify areas for improvement eg Year 3 cricket.	Staff to observe/take notes.	PG	£400	Year 3 have upskilled their knowledge.
Compete in a wide a range of sports within the IOW Primary PE programme, including C4L and other festivals.	To enter various IOW affiliated sports ie cricket and football	We have to pay for some traditional sports but options for some others too.	To enter a wide range of competitions that children have rehearsed for.	PG/LR	£260	We have attended more C4L festivals.
Total anticipated cost					£2.960	

E] increased participation in competitive sport						
Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
Give a wide range of children an opportunity to represent the school in a range of sports.	Enter various events which allow different children a chance to participate eg Carnival Dancing and Mardi Gras and the IOW agricultural show.	To encourage young people to lead healthy lives and be the best they can.	The numbers involved	Various	£300	We have increased the numbers participating mainly through C4L.
As many children as possible to be involved in cluster competitions.	To allow as many children from Upper KS2 to be involved in Primary Games or the newly proposed, Cowes games.	For children to be competing for their school against others schools a la Olympics.	That children have participated to the best of their ability, in a team atmosphere. (Cowes area have twice, recently won the Primary games)	PG/LR	£300	As above; some of the C4L teams are cluster based.
Participation in the Hampshire games.	To aim for participation in the Hampshire Games			PG	£200 – this goes to a central pot for transport and administration for the games	Annual review
Total anticipated cost					£800	

Other expenses						
Desired outcome	Action and approach	Rationale	Evidence of implementation	Staff Lead	Anticipated Cost	Review and impact
All Year 6 children to meet the minimum requirements for swimming by the time they leave Queensgate.	A survey letter to be sent to all children in year 6.	To meet the requirement of the NC.	From the responses, aim for children involved to receive some swimming 'booster' lessons to meet required level.	PG/LR	Approx £200	That as many children reach their 25m target.
Total anticipated cost					£200	

Swimming	
<p>The National Curriculum states that pupils should be taught to;</p> <ul style="list-style-type: none"> <li>• Swim competently, confidently and proficiently over a distance of at least 25 metres.</li> <li>• Use a range of strokes effectively eg front crawl or breast stroke or back crawl.</li> <li>• Perform safe self-rescue in different water-based situations.</li> </ul> <p>At July 2019, based on school data and parent surveys are;</p>
