June 2024

Dear Parents and Carers,

We hope you have had a lovely Half-term break!

Overleaf you will find a theme overview for this final half of the Summer Term, detailing our learning objectives. This half-term our learning will focus on life survival! We will cover the conditions plants need to survive and explore how humans survive in different environments, comparing our own lives with life in Kenya.

Our PE will still take place on Mondays (athletics and sports day practise) and Thursdays (football fundamentals), for both 2KA and 2KG. We ask that children arrive at school in their PE kit on these days please. PE kit includes: blue round neck T-Shirt, navy shorts or jogging bottoms, trainers for outside PE and a navy jumper (normal school jumper will be fine). Please note that most of our PE will be outside where the weather allows.

Our PPA activities are on Wednesdays and will be led by Mrs Bradbury for cookery, Mrs Cox for computing, Mrs Jacobs for Library and Mrs Hiscock for Design Technology.

This half-term we will be delivering the year 2 RSE Changing and Growing series of lessons. We follow a program which builds progressively throughout the school to deliver the National Curriculum objectives appropriate to each year group in this subject. If you have any queries regarding content or would like to find out more, please don't hesitate to talk to your class teacher.

As the summer weather is here, please ensure children apply sun cream before coming to school each morning, have a hat in school and a named water bottle. We remind you that water bottles should contain water only please. We will be learning about sun safety in our PSHE lessons, please talk to your child and find out what they can tell you about avoiding the adverse effects of sun exposure (sun burn and heat stroke).

Thank you for all of your support so far this year,

As always, if you have any queries or wish to discuss your child's education further please contact the office for an appointment or drop us an email.

Yours sincerely,

The year 2 team - 2KA - Mrs Arnell, Mrs Hiscock and Mrs Jacobs
2KG -Ms Gibbins, Mrs Cox and Mrs Tate

Working together for a successful future
