Foundation Stage Weekly Newsletter

Dear Parents and Carers,

Home Learning

We have sent out home learning packs for every child. Each pack contains an individual interim report with three main targets and resources to support them.

While your children are at home please...

- Chat
- Play
- Read

with your child on a daily basis.

We will post daily challenges on Tapestry for you to complete together. If you have not accessed Tapestry please check your emails as we have re-sent your activation link.

Remember to use Bug Club, it is a fantastic online learning platform for reading. Your log in details are on the inside of your yellow reading record book.

If you have any problems with logging into any of these online resources please feel free to email your child's teacher.
