Foundation Stage Newsletter

Dear Parents and Carers,

We have had a very busy week at school full of fun and learning, here are a few things to update you on...

Vowels and Consonants

This week we have been learning about vowels and consonants. Ask your child to tell you what they know about vowels and consonants.

Maths Morning

Thanks for everybody who joined us for our Maths

Morning. We hope you gained a better understanding how Early Years Maths works. The children loved sharing their maths activities with you.

Cooking

This term we have Mrs Hiscock teaching us to cook a stir fry on a Wednesday afternoon. Each week a different keyworker group will join Mrs Hiscock in our super school cookery room. If your child does any cooking or prepares food at home please upload pictures to Tapestry, remembering cooking is great for language, physical development and Maths.

Library Trip

Do not forget RKS are going on their library trip on Monday.

Please bring in your completed form into class to ensure your child can join the library.

RKS children can be picked up from East Coves Library at 2.15pm.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

Foundation Stage Team
