# Foundation Stage Newsletter

Dear Parents and Carers,

You still have time to upload your photos of your child reading in an unusual place with a male adults to have the chance to win the Easter Reading Challenge.

## Topic Web

Please see the other side of this newsletter for this half term's Topic Web. It is very important that you know what we are learning about in school so that you can support your child at home. If you have any questions about the Topic Web please ask a member of staff. Thank you to everyone who has lent us 'Space' related books. The children have shown great enthusiasm for this topic and there is a real 'buzz' in the classroom.

## Out and About

This term Out and About will be on Tuesdays. Please check the main school newsletter for the day your child will be going out. Your child will need to come into school wearing play clothes and have their school uniform in a bag on that day.

## You Tube

The children have really enjoyed learning some new songs from You Tube this week. Type in '*Story Bats Planets*' to see them!

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

Foundation Stage Team
