

Friday 6th January 2017

Foundation Stage Newsletter

Dear Parents and Carers,
We hope you all had a fantastic break and the children are raring to go for the new term! Please read our Topic Web on the other side of this newsletter.

Letters and Sounds

Next week our sounds will be **ear, air, ure, and er**.
Please bring in an item that has this sound on...

Monday– ear

Tuesday– air

Wednesday– ure

Thursday–er

(eg dear, hair, furniture, flower)

It's great to see that some of the children have read their books and completed the Maths Challenges over the Christmas break. Please make sure you sign the yellow reading records when you have listened to your child read. We recommend reading with your child each morning/evening, this has a huge impact on their literacy, communication and language skills. Please let us know if you have any issues with listening to your child read.

This weekend's challenge

We would love to see videos of your children reading at home. Please upload these videos onto Tapestry and we will share them as a class next week.

Attendance

Unfortunately last term Reception's attendance was below the national expectation. We appreciate that there were many illnesses before Christmas but we are hoping that this term our attendance will be better!

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

Foundation Stage Team
