Foundation Stage Newsletter

Dear Parents and Carers,

We have had a very busy week in school learning about telling the time. We have been looking at o'clock and made our own clock faces in class.

Mrs Edgerton has taught us some new songs which we have been practising. Why not ask your child to teach you one of our new songs? We have been singing the Penguin song, the Frog song and Alice the camel.

Lip Balm

Many children have been bringing in lip balm into school. We understand there are a lot of sore lips about at the moment but due to children sharing and losing lip balm we ask that you no longer allow your child to bring it in. If your child needs lip balm please apply it before school.

On **Monday** you will receive a letter to remind you to sign up for our parent/carer consultation evening.

It is important that everyone signs up and it is a great opportunity to discuss your child's progress and next steps.

Digraphs and Trigraphs

We are concentrating on digraphs and trigraphs in Phonics. We are also working on using these sounds to write simple sentences independently. Please record any writing your child does at home onto Tapestry. Your child may use a tablet or laptop to write their sentence.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,

Foundation Stage Team
