Healthy Message

This week's Healthy Message is to...

Go for a cycle or scooter ride.

Reading at Home

Please remember to read with your child at home-it has a significant impact on their phonic skills.

Reading books are changed twice a week when the children have read at home. Don't forget to write in their reading record.

Please save us kitchen and toilet roll tubes for Christmas craft activities.

RKS had a fantastic time at Briddlesford Farm this week, please ask your child about the calves.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support,
