After Half Term we will be learning 4 sounds per week.

## Lost Property

-Zak has lost his out and about clothes and wellies.

Please check at home in case your child has picked them up by accident.

Look out for our new 'Meaningful Numbers' idea on the other side of this newsletter.

## Weekend Challenge

Find out what your child's favourite nursery rhyme is. Can they sing it all of the way

through? Are there any actions?

Maybe you could upload a video of your child's singing onto Tapestry.

What was your favourite nursery rhyme as a child?
