Foundation Stage Newsletter

Dear Parents and Carers,
We hope you all have a super weekend.

Reading Books

Please remember to sign your child's reading record when you listen to them read at home.

Froglets

The children have really enjoyed looking after our tadpoles and we have been learning about their life cycle. Some of them have already grown into froglets, please come and see them before we release them back into the school pond.

This week we have planted cress seeds, we are looking forward to watching them grow and then eating it.

Please continue to check your child's hair for head lice.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
