# Foundation Stage Newsletter

Dear Parents and Carers,

Ask your child about their skipping workshop this week!

## Parents Evening

Thank you to everyone who has joined us this week for parents evening. If you have missed your appointment please arrange a mutually convenient time with your child's teacher who will try and fit you in.

## Maths Challenge Certificates

Well done to all of the children who received their Maths Challenge certificates before half term. The children receive a certificate each half term for completing 100% of their work. Please catch up with them if you have missed any. You could upload the work onto Tapestry if you like and make a note of this in the Maths Challenge book.

## Dinosaurs

For the next few weeks we will be learning about dinosaurs. If you have anything at home related to dinosaurs please let us know.

## Spare Clothes

Please return any spare clothes, we currently have no more socks to lend out!

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
