Foundation Stage Newsletter

Dear Parents and Carers,
Have a super Easter break everyone, let's hope this fine weather lasts!

Easter Reading Challenge

We are calling all Dads, Grandad, Uncles, older brothers and male family friends. This Easter break your challenge is to take a selfie reading together in an unusual place. This could be up a tree, in the bath, on the bus etc. There will be a prize for the most unusual place for each class so use your imagination! Upload your selfies onto Tapestry and we will share them next term. Good luck!

Please make sure that all PE kits are in school on the first day of term as we have a special visitor joining us for PE.

We can't quite believe that the children have now completed two terms at big school! We are really proud of how they are progressing and wish you all a lovely break before the summer term. Please continue to practise reading, writing and number recognition with your child over the two week break.

Space

We will start next term by learning about Space. As always if you have any items to support us with this please let us know.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
