# Foundation Stage Newsletter

Dear Parents and Carers,

One more week to go, here are a few updates for our final week before half term.

## **Superheroes**

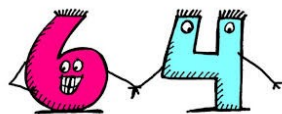

We have now finished our Superhero topic. The children have really enjoyed this topic and thank you for all your help and support with their continued learning at home.

## **Class Assembly**

Well done to all RSJ for a fantastic Superhero Assembly! Thank you for coming to join us.

## **Number Bonds to 10**

We have been learning about number bonds to 10. Ask your child to tell you what they know about numbers that make 10. We have also learnt a number bond song.

## **Technology**

What technology does your child use at home? Please upload any evidence of your child using any form of technology at home onto Tapestry e.g. using tablets, remote control cars, cameras, phones or laptops.

## **Chinese New Year**

Next week we will be learning about the Chinese New Year celebrations. If you have anything we could share in class relating to China please bring it in.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
