Foundation Stage
Weekly Newsletter

Dear Parents and Carers,

Well, what a very wet and windy week we have had this week! Fingers crossed for better weather next week!

RSJ's Assembly

All RSJ's parents and carers are invited to watch our class assembly on Wednesday 31st January.
It will start at 2.30pm in the school hall. Please arrive at 2.20pm.
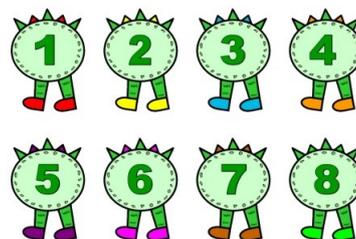

Please Help!

We are in desperate need for any spare socks and carrier bags. Please donate if you can.

Please also make sure that all uniform is named– we keep finding unnamed items. It is very hard to return items if they are not named.

Thank You

We would like to thank everyone who came to our Math Morning this week. It was fantastic to see so many of you enjoying Maths with your children.

By the end of the Reception year the children are expected to meet Early Learning Goals (ELG). On the other side of this letter you will find the ELGs for Maths. Remember that the children are expected to meet them in July, so please do not panic if they are not there yet.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.

$4+4=$

$3+3=$

$1+1=$

$6 - 4 = 2$

$2+5=$

Number

Children count reliably with numbers from one to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.

| 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | 13 | 14 | 15 | 16 | 17 | 18 | 19 | 20 |

Shape Space and Measure

Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.
