# Foundation Stage Weekly Newsletter

Dear Parents and Carers,

We have had another busy week at school, here are few things to update you on...

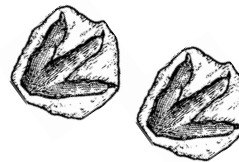

## **Cooking**

This term the children will be cooking with our cookery teacher Mrs Hiscock.

## **Out and About**

The children are still really enjoying our Dinosaur topic. We have looked at dinosaurs who lived on the Isle of Wight and when your child goes Out and About they will be visiting Sandown beach to look for fossils.

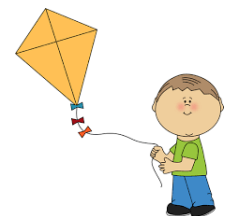

## **Next Week**

Next week we will start looking at plants and sow some seeds. If you are growing anything at home please upload photos to Tapestry so we can share them with the rest of the children.

## **Kite Making**

On Wednesday we have a visitor leading our Kite Making Workshop, fingers crossed for some windy weather!

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
