

Friday 4th May 2018

Foundation Stage Newsletter

Dear Parents and Carers,

Enjoy the bank holiday weekend, see you Tuesday 8th May. Here are some updates for you to take a look at,

Reading Books

Just a reminder, please read with your child as often as you can. Ask questions about what your child has read and it is important to read the book more than once.

Kite Making Workshop

On Wednesday the whole of Reception enjoyed a kite making workshop. We were joined by Shademakers and iWatchWildlife.

As well as learning how to make kites we also learnt about hedgehogs.

Hedgehogs are important animals but are sadly in decline in the wild. If you are lucky enough to see hedgehogs in your garden please let us know.

Tapestry Challenge

Where is the most unusual place you read a book?

Upload your entries on to Tapestry for us to share in class. There will be a winner from each class.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.
