## Foundation Stage Weekly Newsletter

Dear Parents and Carers,

We hope you all have a fantastic half term break, please remember to read with your child and to practise writing words/sentences and recognising numbers.

### Maths Challenge

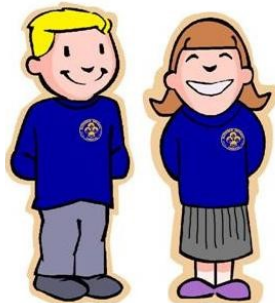

Well done to all the children who have completed their Maths Challenges this half term. Please catch up over half term if you need to.

### Uniform

Over the half term break **please please please**

check that your child's uniform is named. We are still finding that many items of clothes are not named which makes it very tricky when the children change for PE.

### Transport Topic

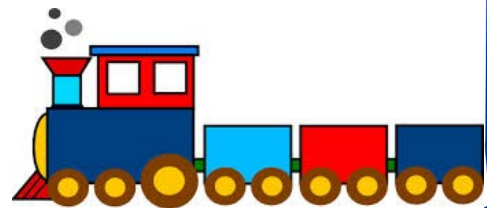

After half term we will be learning through our topic Transport. We will be

discussing different forms of transport and asking the children to discuss their experiences. Please upload any interesting

journeys you make over the half term break onto Tapestry. We will share these on the first Monday back.

If you have any questions or concerns please do not hesitate to speak to one of us. Thank you in advance for your co-operation and support.

The Foundation Stage Team
